

BAFANJI PALACE PROJECT CONTRIBUTIONS

Bafanji Palace Project (14-Jul-2018) N/B. The below individual contributions excludes what some of them have contributed in their respective branches or quarters. We are still expecting contributions from individuals/Branches/Quarters to enable us update this list. So far we have recorded over 15,000,000frs (cash/pledges etc) as shown below. We expect this figure to rise to 50,000,000frs if more individuals and the rest of the branches/quarters forward their contributions/list of contributors. We also expect the individual pledges to be converted to cash soonest to facilitate the execution of the project. It should be noted that the architect came home during the launching with a projector to present the palace project for the entire community to contribute on the layout and specifications but the population came out late hence time constrain did permit him to project the drawings on a screen as initial planned. Those interested in the detail drawings however should send their emails to nkiambuo@gmail.com
